

As the TTMA seek to build economic relations with our neighboring countries within CARICOM and by extension the international market, we recognise an opportunity for organizations to create unique synergies with one another, in both the private and public domain, to achieve sustainable economic growth. As a result, the TTMA is inviting YOU to be a part of our association and take advantage of unique relationship the TTMA has with entities in both the public and private sector.

Price: **US\$400.00**  
per annum (VAT inclusive).

## Application Process / Criteria:

Each applicant must submit the following in order to complete the application process for approval by the Board of Directors:
